Acme Electric®

Dry Transformers, Drive Isolation Transformers, Control Power Transformers, Buck-Boost Transformers, Zone Power Centers, Power Conditioning Products, Transformer Disconnects and DC Power Supplies

Explosion Proof Enclosure Systems for Electrical and Instrumentation

Copper Wire, THHN, MTW, Solid and Stranded Bare Copper and Tray Cable

American Fittings

Complete Line of Fittings for Rigid/IMC/EMT, Flexible Cord and Liquid Tight

Wire Management Products, Low and High Density Wiring Duct, Cable Ties, DIN Rail and Accessories

World Leader in Transient Voltage Surge Suppression Products for AC, DC, RF, GDT and Lightning

Extensive and Diverse Line of Wire and Cable Products for the Electrical and Electronic Industries

Switching Power Supplies and AD/DC Converters

Powering Business Worldwide

World Leader in Electrical Power Distribution and Control Products Including NEMA and IEC Motor Control, Automation Products, Variable Frequency Drives, Intelligent Controllers, Sensors, Human/Machine Interfaces, Panelboards, Switchboards, Transformers, Power Management, Conditioning and Monitoring, Medium Voltage Switchgear

ERITECH Lightning Grounding, CRITECH Surge Protection Devices, CADWELD Anode Connection Systems and CADDY Fasteners and Supports

Dry-Type Transformers and Medium Voltage Switchgear, Control Power Transformers and Custom Products

Federal Signal Corporation

Signaling Products to Enhance the Safety, Security and Well-Being of the Workplace

Industrial Relays, Timers, Bases, Interface Relays and Steppers

Electro-Optical Fire and Flame Detection Technology for the Industrial and Oil & Gas Marketplace

The Global Leader in Circuit Protection and Pioneers of Innovation to Enhance Productivity and Safety in Electrical Systems. Manufacturers of Fuses, Fuseholders, Protection Relays, Solar-Related Products and Remote Indication Products

Manufacturers of Industrial Electrical Connection Systems and Devices for Power, Signaling and Communication; Panel Interface Connectors, Cables and Receptacles, Cable Glands and Adapters and Bus Networking

Plugs for the world

Pin and Sleeve Wiring Devices, Switched and Interlocked Receptacles, Motor Disconnect Switches and Custom Modular Power Distribution Systems

Your Complete Source for Electrical, Electronic, Fiber Optic and Instrumentation Cables from Data and Communication to Medium Voltage Applications

Electrical Connectors, Compression Connectors, Tools and Accessories

Respected Manufacturer of Safety Automation Equipment, Safety Relays, Sensors, Controllers and Light Curtains

Energy Efficient, Affordable Indoor and Outdoor Lighting Systems Featuring the Latest in LED, HID and Fluorescent Technology

Complete Product Offerings in Aluminum, Steel and Stainless Steel Cord Grips, Cable Glands, Wire Mesh Strain-Reliefs, and Mini-Connectors

Quality Manufacturer of Standard Stock and Custom Designed Enclosures and Operator Stations in Steel, Stainless Steel and Fiberglass Carrying ratings from NEMA Type I through NEMA Type 4X

Semi-conductor Fuses, Medium and High Voltage Fuses, Standard European, Miniature, Electronic and a Wide Range of DC Rated Fuses (6000VDC +) for All Types of Applications

IEC Industrial Control and Protection, Starters, Relays and Timers, Intelligent Controllers, Motor Circuit Protectors, Pilot Devices and Disconnects

Complete Line of Motor Protection Products: Overload Relays, Motor and Pump Controls, Power, Communication and Ground Fault Monitoring, Intrinsically Safe Relays, Phase and Current Monitoring

Temperature Control Solutions for Electrical Enclosures, Air Conditioners, Air to Air Heat Exchangers, Fans and Thermostats

Performance and Protection Products for Drives. Harmonic Mitigation Technology, Input Reactors, Output Devices and Reactors, EMI/RFI Filters and Sine Wave Filters
