World Leader in Electrical Power Distribution and Control Products Including NEMA and IEC Motor Control, Automation Products, Variable Frequency Drives, Intelligent Controllers, Sensors, Human/Machine Interfaces, Panelboards, Switchboards, Transformers, Power Management, Conditioning and Monitoring, Medium Voltage Switchgear

The Global Leader in Circuit Protection and Pioneers of Innovation to Enhance Productivity and Safety in Electrical Systems. Manufacturers of Fuses, Fuseholders, Protection Relays, Solar-Related Products and Remote Indication Products

IEC Industrial Control and Protection, Starters, Relays and Timers, Intelligent Controllers, Motor Circuit Protectors, Pilot Devices and Disconnects

**FEDERAL PACIFIC**  
Dry-Type Transformers and Medium Voltage Switchgear, Control Power Transformers and Custom Products

Let's Connect ~ Immerse yourself in our world of Industrial Connectivity.

Ready-made connections for everything between the control and sensor actuator levels. Experienced experts support partners around the world with products, solutions and services in any industrial environment.

High Quality Industrial Carbon Steel and Stainless Steel Enclosures ~ Industry Leading Manufacturer of Cable Tray, Strut and Fittings

The World's Most Specified Non-Metallic Enclosure!

The Leader in Harmonizing NEC and IEC Standards and dedicated to partnering on a worldwide basis to find the best solution for automation, electrical and lighting applications in harsh and hazardous (classified) locations involving gases, vapors or dust.

Since 1897 - The Industry's Leader in Rugged, High-Quality Commercial Fittings, Hazardous Location Products Including Lighting, Enclosures, Operator Stations, Arkrite, Ark Guard, Power Guard, Power Mate, Cam-Lok, Pauluhn Linear Fluorescents, Airport Lighting, and MTL Instruments Group

ERITECH Lightning Grounding, CRITECH Surge Protection Devices, CADWELD Anode Connection Systems and CAD-DY Fasteners and Supports

Industrial Relays, Timers, Bases, Interface Relays and Steppers

Switching Power Supplies and AD/DC Converters

Wire Management Products, Low and High Density Wiring Duct, Cable Ties, DIN Rail and Accessories

Safe solutions for your industry

Electrical Connectors, Compression Connectors, Power Distribution Blocks, Tools and Accessories

Manufacturers of Industrial Electrical Connection Systems and Devices for Power, Signaling and Communication; Panel Interface Connectors, Cables and Receptacles, Cable Glands and Adapters and Bus Networking

Harmonic Mitigation, Motor and Surge Protection, RFI and EMI Filtering

AC and DC Powered Fan and Cooling Solutions for High Performance Applications and Harsh Environments

Temperature Control Solutions for Electrical Enclosures, Air Conditioners, Air to Air Heat Exchangers, Fans and Thermostats

Complete Product Offerings in Aluminum, Steel and Stainless Steel Cord Grips, Cable Glands, Wire Mesh Strain-Reliefs, and Mini-Connectors

PLASTICASE Injection Molded Professional Protective Cases for Equipment, Instrumentation, and Custom Applications

Getting Your Gear from Point A to Point B in the Toughest Air-Tight and Waterproof Protective Cases on the Planet

Precision Thermocouples and RTDs for Temperature Measurement Applications

Semi-conductor Fuses, Medium and High Voltage Fuses, Standard European, Miniature, Electronic and a Wide Range of DC Rated Fuses (6000VDC+) for All Types of Applications

High Quality Holmaking Products

World Leader in Transient Voltage Surge Suppression Products for AC, DC, RF, GDT and Lightning

American Fittings Complete Line of Fittings for Rigid/IMC/ EMT, Flexible Cord and Liquid Tight

"Every AC Motor Deserves a Vacon Drive!"

Copper Wire, THHN, MTW, Solid and Stranded Bare Copper and Tray Cable

Complete Source for Electrical, Electronic, Fiber Optic and Instrumentation Cables from Data and Communication to Medium Voltage Applications

Complete Source for Electrical, Electronic, Fiber Optic and Instrumentation Cables from Data and Communication to Medium Voltage Applications
